Of the following genuice Medicines For the prevention and cure of Bi lions and Malignant Fevers, i recommended

Hahn's Anti-Bilious Pills

THIS Medicine has been attende with a degree of success highly grateful to the inventor's feelings, in several part of the West Indies, and the Southern Middle States, particularly in N. York Ph. adelphia, Baltimore, Petersburg, Richmond, Norfolk, Edenton, Wilming ton, Charleston, and Savannah. Th testimony of a number of persons at each of the above places can be adduced, who have reason to believe, that a timely us of this salutary remedy has, under Provi dence, preserved their lives, when in the most alarming circumstances.

Facts of this conclusive nature speal

more in favour of a medicine than co lumns of pompeus eulogy, founded or mère assertion.

It's not, indeed, presumptuously pro posed as an infallible cure, but the inven-tor has every possible reason that can result from extensive experience, for be lieving that a dose of these Pills, taken ence in every two weeks, during the prevalence of our bilious fevers, will prove an intallible preventative; and further, that in the earlier stages of those diseases, their use will very generally succeed in restoring health, and frequently in cases esteemed desperate, and be youd the power of common remedies.

The operation of these pills is perfect, mild, so as to be used with safety by pe sons in every situation, and of every an

Worms which infest the human body are chiefly of four kinds, viz .- The T res, or large round worm; the Ascari des, or smail maw-worm; the Cocurbi tina, or short, flat, white worm; and lastly, the Tænia, or tape-worm, so cal led from its resemblance to tape. This is often many ya ds long, and is full of oints. It is most hurtful and most diffi cult to remove.

Among the symptoms attending worm are-disagreeable breath, especially in the morning; bad and corrupted gums itching in the nose, and about the seat convulsions, epileptic fits, and sometime privation of speech; starting and grind ing of the teeth in sleep; irregular appetite, sometimes loathing food, and so times voracious; purging, with slimy & feetid stools; vomiting; large and hard belly; pains and sickness at the sto mach; slow fever, with small and irregular pulse; a dry cough; excessive thirst; sometimes pale and unhealthy countenance, and sometimes the face pated and dushed.

Persons afflicted with any of the above symptoms, should have immediate recourse to Hamilton's Worm Destroying Lozenges, which have been constantly attended with success, in all complaints similar to those above described.
